

Brimpton Parish Council

Grant Awarding Policy

1. The Parish Council may use Section 137 of the Local Government Act 1972 to give grants to community organisations. This power may only be used if its use will benefit some or all of its residents and where the benefit obtained is commensurate with expenditure incurred. If the Parish Council has the General Power of Competence at the time of the grant request, this will be used instead of Section 137 however, the same principles regarding the benefit being commensurate with the expenditure incurred will need to be demonstrated.
2. It is a condition of any grant application that the group or project must bring direct benefit to the residents of the parish of Brimpton. All applications must clearly demonstrate how this will be achieved.
3. Grant application forms are available from the Clerk or from the Parish Council website. Application forms must be submitted along with the latest set of the organisation's accounts. It is important that all questions on the application form are fully answered and that any appropriate additional information, which supports an application, is provided.
4. Grant applications cannot be made retrospectively, i.e. applications will not be funded where the expenditure has been made, the project has been carried out or the event has taken place.
5. Applications will not be considered from:
 - Organisations intending to support or oppose any particular political party or to discriminate on the grounds of race or religion.
 - Private organisations operated as a business to make a profit or surplus.
 - Local groups whose fund raising is sent to their central HQ for redistribution.
 - National Charities.
6. Applications will not normally be considered from national organisations or local groups with access to funds from a parent organisation, unless funds are not available from their national bodies, or the funds available are inadequate for a specified project.
7. Payments for grants will be paid to the organisation, not to an individual.
8. Applications from religious groups will be considered where a clear benefit to the wider community can be demonstrated, irrespective of their religious beliefs.
9. Applications from education, health or social service establishments will be considered where the organisation can demonstrate that it is working in partnership with other groups and where there are benefits to the wider community within the parish.
10. Any grant must only be used for the purpose for which it was awarded unless the written approval of Brimpton Parish Council has been obtained in advance for a change in use of the grant, and that any unspent portion of the grant must be returned to Brimpton Parish Council by the end of the financial year in which it was awarded.

11. Brimpton Parish Council reserves the right to request any further information that it deems necessary to assist the decision-making process. Account will be taken of the amount and frequency of previous awards and of the extent to which funding has been sought or secured from other sources or own fund-raising activities.

12. Ongoing commitments to award grants or subsidies in future years will not be made. A new application will be required each year.

13. The size of any grant awarded is at the sole discretion of Brimpton Parish Council. The council may make the award subject to such additional condition and requirements that it considers appropriate.

14. The Parish Council reserves the right to refuse any grant application which is considered to be inappropriate or against the objectives of the Council.
